**MESSAGE**

I am immensely happy to learn that Bengtol College is celebrating Silver Jubilee on 11th and 12th November, 2022. To commemorate the occasion a multilingual souvenir christened "Gswkhangthini Rega" is being published to mark the event.

Since the beginning Bengtol College has been playing a crucial role in nurturing future generation by fostering Knowledge and Social skills. I am indeed proud of this college and appreciate the efforts put in by the Management, Principal and the staff for the last quarter of a century. It is a matter of great satisfaction and fulfillment to know that the alumni of this college have made a difference in society and have promoted human values. An educational institute is not just a place to impart education and knowledge but it is a place of formation of young minds. My only wish is that you take a bigger step forward in this line and make the college ever shining in Chirang District.

I convey my good wishes and thanks to everyone associated with the college and the publication of the souvenir for their tireless work and support to make this successful. Lastly, I would like to say that "Anything is possible if we are willing to put in our efforts".

### MESSAGE

It gives me immense pleasure to learn that the Bengtol College, Bengtol under Chirang District has completed its glorious 25 years and going to celebrate its Silver Jubilee with two days colorful program on 11<sup>th</sup> and 12<sup>th</sup> November, 2022 and to commemorate the occasion the Reception Committee has decided to bring out a Souvenir in the name and style "Gwswhangthini Rega".

To publish a Souvenir or Magazines in an Educational Institution plays a vital role as the process of teaching and learning is correlated with the habit of reading and writing of poem, story, article etc. I think the Souvenir will give an ample opportunity to the young writers to express their thoughts and ideas to its fullest extent and will document the creativity, experience, memory and expertise of the established talents of the college as well as the locality.

I extend my heartiest greetings to the Editorial Board, wish the Souvenir be a colorful one and grand success of the celebration.
