From the Desk of the Principal

It gives me immense pleasure to know that the Publication Cell, Bengtol College is bringing out the Vol-6, Issue-I of Bengtol College Newsletter highlighting the various aspects of the College.

Bengtol College was established in the year 1981 with a humble objective of imparting quality education and empowering the students and society in large. It has a mission and vision to educate young minds and learners of different age groups to empower them to achieve their goals in life. Along with the routine class schedules, there is an atmosphere for students to develop their self-confidence, morality, integrity, discipline and personality which are of utmost importance for any human being.

Bengtol College is constantly striving to maintain academic excellence by conducting seminars, conferences, symposium and workshops in both national level and local level for the students and teachers as well.

Dr R.K. Narzary
Principal, Bengtol College

Editorial

Dear enlightened Readers,

As our motto says "knowledge is enlightening", Bengtol College makes earnest attempt to enlighten the lives of our students by facilitating them to acquire quality education. We also take utmost care to provide holistic development to our students through providing them platform for physical, mental and emotional development. At the same time we also encourage students to acquire the leadership qualities through various programmes conducted by the institution. We also facilitate our students to imbibe the core values of our nation such as the spirit of unity in diversity, secularism, democratic outlook, tolerance and cooperation through organizing various programmes. We are also committed to develop our students into skilled, employable and self-sustained human beings by providing them various skill development trainings. All our activities and programmes in the College are guided by core values that we uphold in our institution.

Through this Newsletter, we are make sincere and honest attempt to highlight various programmes and events conducted by us to achieve our goals. The major programmes we have conducted in this period are skill development and vocational trainings, observation of National Voters' Day and Republic day, International Women's day, World Environment day, Students' Day, career counseling and motivational programme, plantation drive, rendering service and donation of tube-well in adopted village for supply of drinking water, faculty exchange programme, celebrations of local festivals and conducting yoga camps. We do hope, each and every activity or programme that we have undertaken will lead us a step farther towards reaching our goal of creating enlightened and responsible young generations for bringing positive change .
