From the Desk of the Principal

It gives me immense pleasure to know that the Publication Cell, Bengtol College is bringing out the Vol-3, Issue-I of Bengtol College Newsletter highlighting the various aspects of the College.

Bengtol College was established in the year 1981 with a humble objective of imparting quality education and empowering the students and society in large. It has a mission and vision to educate young minds and learners of different age groups to empower them to achieve their goals in life. Along with the routine class schedules, there is an atmosphere for students to develop their self-confidence, morality, integrity, discipline and personality which are of utmost importance for any human being.

Bengtol College is constantly striving to maintain academic excellence by conducting seminars, conferences, symposium and workshops in both national level and local level for the students and teachers as well.

Editorial

Dear enlightened Readers,

We are going through a period of unprecedented crisis as the Covid-19 pandemic has been engulfing the entire world. Every sphere of human activities has been affected by this pandemic and the normal life has been paralyzed. The functioning of the educational institutions have also been greatly affected by this pandemic. The normal classroom transactions are jeopardized making the students as well as the teachers completely bewildered. However, it has also orchestrated a transition in teaching-learning situation. Instead of traditional class-room transactions, the teachers and students are now engaging themselves in the use of technology in teaching-learning process. Educational institutions have now began to impart education to their students in virtual mode. Bengtol College has also started to conduct the classes in virtual mode and students have also learned to adapt themselves with this new development. Therefore, most of the activities done by the college in this period of pandemic are done in online mode.

We are glad inform our students, guardians and stakeholders that in the midst of pandemic and different phases lock-down, the Bengtol College did not remain idle and inactive. Different cells and departments of the college have performed different academic and social activities in the the entire period which have been truthfully recorded in this issue of Bengtol College Newsletter.
