From the Desk of the Principal

It gives me immense pleasure to know that the Publication Cell, Bengtol College is bringing out the Vol-5, Issue-II of Bengtol College Newsletter highlighting the various aspects of the College.

Bengtol College was established in the year 1981 with a humble objective of imparting quality education and empowering the students and society in large. It has a mission and vision to educate young minds and learners of different age groups to empower them to achieve their goals in life. Along with the routine class schedules, there is an atmosphere for students to develop their self-confidence, morality, integrity, discipline and personality which are of utmost importance for any human being.

Bengtol College is constantly striving to maintain academic excellence by conducting seminars, conferences, symposium and workshops in both national level and local level for the students and teachers as well.

Editorial

Dear enlightened Readers,

Bengtol College has celebrated its Silver Jubilee this year with utmost joyousness and renewed motivation to play its role as a centre of knowledge, wisdom and enlightenment. In this 25 years of age we have crossed miles of uneven roads making us matured with experiences and more determined to work harder for the holistic development of our students and the society at large. Therefore, we are concentrating on both academic, social, mental and physical as well as skill development of our students. So that they can establish themselves as a competent individual and a worthy member of the society. We are also trying to bring positive social change in our society through our outreach programmes.

The major areas of focus in this period are quality enhancement of students, skill development of youth for employability, and self-sustenance, empowerment of women, self-defence for girls, physical and mental development of students, development of writing skills, spreading the spirit of national unity, celebration of local, state, national and international events, campaign against violence on girls and women and strengthening the ethical values of office staff and management, maintaining close relations with guardians of students etc.

Through this issue of Bengtol College Newsletter, we highlight the activities and programmes that reflect our commitment towards our responsibility for our students and the society.
