From the Desk of the Principal

It gives me immense pleasure to know that the Publication Cell, Bengtol College is bringing out the Vol-5, Issue-I of Bengtol College Newsletter highlighting the various aspects of the College.

Bengtol College was established in the year 1981 with a humble objective of imparting quality education and empowering the students and society in large. It has a mission and vision to educate young minds and learners of different age groups to empower them to achieve their goals in life. Along with the routine class schedules, there is an atmosphere for students to develop their self-confidence, morality, integrity, discipline and personality which are of utmost importance for any human being.

Bengtol College is constantly striving to maintain academic excellence by conducting seminars, conferences, symposium and workshops in both national level and local level for the students and teachers as well.

Editorial

Dear enlightened Readers,

The spread of deadly Covid-19 has over and the restrictions are lifted. The normalcy in day to day life has prevailed again. The Bengtol College has also resumed its normal functioning. The traditional classroom transactions have been re-started. Different academic and related programmes are also undertaken regularly for the overall development of our students. The college as also resumes its social outreach programmes in full swing.

The major programmes organized in this period are faculty exchange programme, seminar for skill development and career prospects for students, social outreach programme through NSS, self-defence training for girls, athletic coaching, observation of international women's day, computer training for teachers, yoga camp for physical, mental and spiritual growth, popular lecture, guardians' meet, departmental seminars, workshop on academic writing for developing writing skills for students etc.

Through these academic and non-academic activities the college has reaffirmed its commitment and dedication for imbuing our young generation with proper education, skill and values that will transform them into a good and responsible members of the society.

Through this issue of Bengtol College Newsletter, we are honestly highlighting the programmes and activities that we have undertaken in this period for the perusal of our students, staff, guardians and other stakeholders. Suggestions for further improvement are most welcome.
