From the Desk of the Principal

It gives me immense pleasure to know that the Publication Cell, Bengtol College is bringing out the Vol-4, Issue-1 of Bengtol College Newsletter highlighting the various aspects of the College.

Bengtol College was established in the year 1981 with a humble objective of imparting quality education and empowering the students and society in large. It has a mission and vision to educate young minds and learners of different age groups to empower them to achieve their goals in life. Along with the routine class schedules, there is an atmosphere for students to develop their self-confidence, morality, integrity, discipline and personality which are of utmost importance for any human being.

Bengtol College is constantly striving to maintain academic excellence by conducting seminars, conferences, symposium and workshops in both national level and local level for the students and teachers as well.

Editorial

Dear enlightened Readers,

Higher Educational Institutions (HEIs) play very significant role not only in shaping the future younger generations but also in bringing positive social change. As the only institute of higher education in its vicinity, the social obligations of Bengtol College is very much significant. Not only the students but the society also expects much from this college because it is the society which founded and nourished this institution. Therefore, Bengtol college is also trying its best to act as a catalyst for positive social transformation in the locality and the aims, objectives and functions of the college is defined by those roles and agenda. Since its inception, the College has been moving steadily towards that direction.

The major events held in our institutions in this period are organizing seminars, celebrations of national and international events, participating in youth leadership training, organizing college week, environmental awareness programme and Covid -19 awareness and mask distribution campaign etc. Our actions reflect our commitment towards our students, stakeholders and the society at large. Through this issue of Bengtol College Newsletter, we would like to draw the attention of our composite readership towards the role that we have playing in bringing a positive change in the society.
