## Bengtol College

**B**engtol College is situated in the Chirang District, Assam. It is 17 Km. from NH-31, 24 km.

from Bongaigaon Railway station and 184km. from Guahati. The concept of establishing Bengtol College started in the year 1977. An adhoc committee was set up by educationally conscious and

interested citizens of the locality to achieve the purpose. The time passed by, but there was no development in the official and construction works due to several reasons. Eventually in the year 1981, a College management Committee was formed to carry forward the works relating to establishment in 1981, it took long 16 years to start actual classes. The classes were formally started on 1st August, 1997 with 7 students in B.A.1<sup>st</sup> year with 3 teachers.

The pioneers of Bengtol College are Late. Bhuben Ch. Owarly (Social Worker & former GB President), Mr. Eonas Narzary (Ex. Principal, Tukrajhar H.S. School & Former GB President), Late. Sunil Bhowmick (Social Worker), Mr. Andrius Hajoary (Ex. MLA), Mr. Issac Narzary (Subject Teacher & Vice Principal, Tukrajhar H.S. School), Mr. Gregory Borgoyary (Subject Teacher, Bengtol H.S. School), Mr. Domonic Basumatary (Social Worker & Chairman CNL School, Bengtol), Dr. Ranjit Kr. Narzary (Principal, Bengtol College) and many other untiring conscious citizens of the area. The college reached up to this stature due to the relentless works and able leadership of those people. Establishing of this college was a great challenge. Undoubtedly, the pioneers had to face various hardship in times to bring up the college up to this stage. The college received affiliation from the Gauhati University in 1999. The affiliation was given by the Gauhati University in the following subjects- English, Alternative English, Modern Indian Language (MIL) in Bodo, Assamese & Nepali, Bodo Elective, Political Science, Education, Economics, History, Philosophy and BBA

(Bachelor of Business Administration). The University also accorded affiliation for Major Course to the college in the subjects- Bodo, Economic, Education, English, History, Philosophy and Political Science. The college was granted permanent Affiliation from Gauhati University in the year in 2009. However, as per the State Govt. direction, the college is affiliated to Bodoland University, Kokrajhar, Assam since 2020.

The college is recognized under Section 2 (f) and 12 (B) of the UGC Act 1956, New Delhi in the year 2009. The college has 12 acres of vast contiguous land and greenish charming plot. The college has introduced many other career Oriented Courses under Bodoland University such as Post Graduate Diploma in Computer Application. The college is imparting a quality education to the deprived students and working persons through distance mode of education system like Institute of Distance and Open Learning (IDOL), GU and Krishna Kanta Handiqui State Open University (KKHSOU), Guwahati, Assam.

Bengtol College has a central Library in the name of Dr. A .P. J. Abdul Kalam with around 13000 odd volumes of books including references and text books. There are reading facilities for boys and girls as well as for the teachers. Library books are added every academic year in the library in course related text and reference books for the benefit of the students. Bengtol College Principal and Teaching faculties along with non teaching staffs are committed in rendering services to enhance academic progress, and to develop and sustain distinctive academic progress of excellence.

### **Academic Course and Programmes :**

Bengtol College offers a Four-Year Undergraduate Programme (FYUGP) that includes Bachelor of Arts (B.A.) and Bachelor of Business Administration (BBA) degrees. Affiliated with Bodoland University, these programs are delivered under the Choice-Based Credit System (CBCS) in accordance with the guidelines of the New Education Policy 2020. The college offers Major Courses in Bachelor of Arts (BA) in subjects including Bodo, Economics, Education, English, History, Philosophy, and Political Science. Additionally, the college provides a one-year Post Graduate Diploma in Computer Applications (PGDCA) and two-year Master's Degree programs (Regular) in Bodo and English, all affiliated with Bodoland University.

The undergraduate programs are designed to span either three or four years, offering multiple exit options. The curriculum is organized semester-wise, allowing students to earn Certification, Diploma, and Bachelor's Degree upon successful completion of the first, second, and third years, respectively. Students who complete the full four-year undergraduate program—either continuously or

through multiple exits and re-entries—are awarded a Bachelor's Degree with Honours. Graduates of the four-year Honours program, which includes a research component and is awarded a suitable grade, are eligible to pursue a Doctoral (PhD) program in a relevant discipline or to enroll in a two-semester Master's Degree program with project work. The students who exit with Certification, Diploma and Basic Bachelor Degree shall be eligible to re-enter the Programme at the exit level to complete the programme or to complete the next level. A student will have a maximum of two exit options or lateral entries to complete the programme.

### **Scope and Coverage of the Programme:**

- An academic year shall have two semesters.
- The FYUGP shall have multiple exit options with appropriate certifications namely:
  - (a) Undergraduate Certificate in a Discipline upon the successful completion of the First Year (Two Semesters). In addition to a minimum of 40 credits earned, the student will require to complete a mandatory work-based vocational course or internship/apprenticeship of 4-credits offered during the summer term. This is in addition to the 6 credits from the skill-based courses earned during the first and second semester.
  - (b) Undergraduate Diploma in a Discipline upon the successful completion of the Second Year (Four Semesters). In addition to a minimum of 80 credits earned, the student will require to complete a mandatory work-based vocational course or internship/apprenticeship of 4-credits offered during the first year or second-year summer term.
  - (c) Bachelor's Degree in a Discipline: This degree is awarded in a relevant discipline/subject to those who pursue a 3-year (Six Semesters) UG programme and secure 120 credits.
  - (d) Bachelor's Degree with Honours: It will be awarded on securing 160 credits by taking 12 credit advanced level (400 levels) courses in lieu of a Research Project/ Dissertation.

(e) UG Degree with Honours and Research: A 4-Year Bachelor's degree (Honours with Research) will be awarded if the student completes a rigorous research project of 12 credits in the major area (s) of study under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals so may be presented in conferences/seminars or may be patented.

### **Career counselling and Guidance Cell:**

The need for disseminating right and reliable career information, counselling and guidance for enabling the students in choosing the right and appropriate career options and opportunities has become pertinent and challenging in contemporary time. With the noble aim in addressing the need of the time, Bengtol college formed Career counselling and Guidance Cell on 13<sup>th</sup> March 2013. Since the establishment, the Cell has been rendering active services to the students of the college providing them timely career counselling and placement services, relevant and useful information about various career, jobs, trainings, institutions etc. Besides giving academic career exposure, the cell also provides timely guidance and skill based trainings to the students' community in order to make them acquire the career and livelihood opportunities, employability skills, self depended knowledge etc. Bengtol College signed Memorandum of Understanding with ICTACADEMY, Guwahati to provide training to teachers and students of the college in the areas of Faculty development programme, Student skill Development, youth empowerment, entrepreneurship, institute-industry interaction and research and publications.

### **Co-curricular activities:**

Co-curricular activities play a very positive and effective role in shaping a student as a sharp learner and all round developed self. It instills and develops social skills, leadership skills etc. within the students. In order to transmit the positive effects of co-curricular activities in a larger extent, the college always provides ample avenues and platforms to the students beyond the academic subjects taught. Understanding the innumerable values of co-curricular activities and thereby to utilise the same for the students, the college management body has formed separate committees and cells like Games & Sports Cell, Literary and Cultural Cell, Extension Service Cell etc. and entrusted them to focus and enrich in the concerned field of activities respectively. Accordingly, these committees, besides Annual college Week activities, have also been involved and will be continuing to encourage and lead the students to get exposed in

various local, state and national level co-curricular activities throughout the academic sessions. As the college is situated in the rural area, there is ample scope for executing extension activities that enhance students' capability as well as contribute to society. The college has an Extension Cell in order to plan and execute various social activities. Besides the cell, the departments of the college also conduct various social services in and around the area.
